## Mission Statement

### *Learning for Life with Christ as Our Light*

#### Vision

At St. Mary's we are committed to providing a Catholic education which also fosters a sense of Welsh identity through an appreciation of Welsh language, history and culture.

We believe firmly in the Gospel Values and in our role as educators to nurture pupils, identify their talents and provide them with all the skills they need for life in the 21st century as citizens of Wales and the wider world. We seek to create a supportive environment in which every pupil feels valued both as an individual and as an integral part of our St. Mary's family – Ein Teulu Santes Fair.

Our devoted and dedicated staff will work together alongside families, our parish and the wider community to inspire, motivate and encourage all of our pupils so that they become confident individuals who are ultimately imbued with a love for life-long learning.

#### Objectives

Encompassing the Four Core Purposes of the Welsh Curriculum and the Catholic Pupil Profile, we seek to:

- Provide a broad and balanced curriculum, utilising a variety of creative, practical and problem-solving activities which enable access for all learners.
- Use our local environment in Chepstow and look further - in Wales and the wider world to enhance our learning.
- Provide excellent role-models for our pupils, leading by example in all that we do.
- Encourage and support one another in all goals - recognising talents, celebrating achievement and embracing failure as a path to future success.
- Strengthen our home-school links, recognising that parents are the first educators of their children and supporting families in this important role.
- Provide high quality, enriching learning experiences which will support children in their knowledge, understanding and development of academic and life-long skills.
- Regularly monitor and evaluate progress and standards throughout the school, with the support of all stakeholders, to ensure continual growth and development.
- Obtain advice from, and work in tandem with external agencies to support all pupils with additional learning needs.

#### Aims

Through the achievement of our objectives, our aims are that all children will:

- Develop a loving, personal relationship with God which will deepen their faith.
- Be accepting of others, respectful in their behaviour and always considerate towards the feelings of those around them.
- Recognise our similarities and differences and developing a sense of fairness and justice.
- Become well-rounded individuals who have a positive attitude to life and recognise their self-worth.
- Become enthusiastic life-long learners – ready to face the challenge of the ever changing modern world and global society.
- Recognise their strengths and areas of development.
- Develop confidence in challenging themselves in order to fulfill their potential.

## **1. Introduction**

- 1.1 The school is committed to dealing effectively with complaints. We aim to clarify any issues about which you are not sure. If possible we will put right any mistakes we have made and we will apologise. We aim to learn from mistakes and use that experience to improve what we do.
- 1.2 Our definition of a complaint is 'an expression of dissatisfaction in relation to the school or a member of its staff that requires a response from the school.'
- 1.3 This complaints procedure supports our commitment and is a way of ensuring that anyone with an interest in the school can raise a concern, with confidence that it will be heard and, if well-founded, addressed in an appropriate and timely fashion.

## **2. When to use this procedure**

- 2.1 When you have a concern or wish to make a complaint we will usually respond in the way we explain below. Sometimes you might be concerned about matters that are not decided by the school, in which case we will tell you who to complain to. At other times you may be concerned about matters that are handled by other procedures, in which case we will explain to you how your concern will be dealt with.
- 2.2 If your concern or complaint is about another body as well as the school (for example the local authority) we will work with them to decide how to handle your concern.

## **3. Have you asked us yet?**

- 3.1 If you are approaching us for the first time you should give us a chance to respond. If you are not happy with our response then you may make your complaint using the procedure we describe below. Most concerns can be settled quickly just by speaking to the relevant person in school, without the need to use a formal procedure.

## **4. What we expect from you**

- 4.1 We believe that all complainants have a right to be heard, understood and respected. But school staff and governors have the same right. We expect you to be polite and courteous. We will not tolerate aggressive, abusive or unreasonable behaviour. We will also not tolerate unreasonable demands or unreasonable persistence or vexatious complaining.

## **5. Our approach to answering your concern or complaint**

- 5.1 We will consider all your concerns and complaints in an open and fair way.
- 5.2 At all times the school will respect the rights and feelings of those involved and make every effort to protect confidential information.
- 5.3 Timescales for dealing with your concerns or complaints may need to be extended following discussion with you.
- 5.4 We may ask for advice from the local authority or diocesan authority where appropriate.

- 5.5 Some types of concern or complaint may raise issues that have to be dealt with in another way (other than this Complaints Policy), in which case we will explain why this is so, and will tell you what steps will be taken.
- 5.6 The Governing Body will keep the records of documents used to investigate your concern or complaint for seven years after it has been dealt with. Records will be kept in school and reviewed by the Governing Body after seven years to decide if they need to be kept for longer.
- 5.7 Complaints that are made anonymously will be recorded but investigation will be at the discretion of the school depending on the nature of the complaint.
- 5.8 Where complaints are considered to have been made only to cause harm or offence to individuals or the school, the Governing Body will ensure that records are kept of the investigations that are made and what actions are taken, including the reasons for 'no action'.

## **6. Answering your concern or complaint**

- 6.1 The chart in Appendix A shows what may happen when you make a complaint or raise a concern. There are up to three Stages: A, B and C. Most complaints can be resolved at Stages A or B. You can bring a relative or companion to support you at any time during the process but you will be expected to speak for yourself. However, we recognise that when the complainant is a pupil it is reasonable for the companion to speak on their behalf and/or to advise the pupil.
- 6.2 As far as possible, your concern or complaint will be dealt with on a confidential basis. However, there may be occasions when the person dealing with your concern or complaint will need to consider whether anyone else within the school needs to know about your concern or complaint, so as to address it appropriately.
- 6.3 If you are a pupil under 16 and wish to raise a concern or bring a complaint we will ask for your permission before we involve your parent(s) or carer(s). If you are a pupil under 16 and are involved in a complaint in any other way, we may ask your parent(s) or carer(s) to become involved and attend any discussion or interview with you.

### **Stage A**

- 6.4 If you have a concern, you can often resolve it quickly by talking to a teacher or a member of the office staff. You should raise your concern as soon as you can; normally we would expect you to raise your issue within 10 school days of any incident. The longer you leave it the harder it might be for those involved to deal with it effectively.
- 6.5 If you are a pupil, you can raise your concerns with your school council representative, form tutor or a teacher chosen to deal with pupil concerns. This will not stop you, at a later date, from raising a complaint if you feel that the issue(s) you have raised have not been dealt with properly.
- 6.6 We will try to let you know what we have done or are doing about your concern normally within 10 school days, but if this is not possible, we will talk to you and agree a revised timescale with you.

- 6.7 The person overseeing your concern or complaint will keep you informed of the progress being made. This person will also keep a log of the concern for future reference.

### **Stage B**

- 6.8 In most cases, we would expect that your concern is resolved informally. If you feel that your initial concern has not been dealt with appropriately you should put your complaint in writing to the Headteacher.
- 6.9 We would expect you to do this within five school days of receiving a response to your concern as it is in everyone's interest to resolve a complaint as soon as possible. There is also a form attached (Appendix B) that you may find useful. If you are a pupil we will explain the form to you, help you complete it and give you a copy.
- 6.10 If your complaint is about the headteacher, you should put your complaint in writing to the Chair of Governors, addressed to the school, to ask for your complaint to be investigated.
- 6.11 In all cases a member of staff can help you to put your complaint in writing if necessary.
- 6.12 If you are involved in any way with a complaint, the Headteacher will explain what will happen and the sort of help that is available to you.
- 6.13 The Headteacher will invite you to discuss your complaint at a meeting. It will not be assumed that, because you have put your complaint in writing, that you are necessarily familiar with the procedures within this document therefore the Headteacher will explain them to you and provide you with a copy of this policy if necessary. Timescales for dealing with your complaint will be agreed with you. The Headteacher will aim to have a meeting with you and to explain what will happen, normally within 10 school days of receiving your letter. The Headteacher will complete the investigation and will let you know the outcome in writing within 10 school days of completion.

### **Stage C**

- 6.14 It is rare that a complaint will progress any further. However, if you still feel that your complaint has not been dealt with fairly, you should write, to the Chair of Governors (at the school address) setting out your reasons for asking the governing body's complaints committee to consider your complaint. You do not have to write down details of your whole complaint again.
- 6.15 If you prefer, instead of sending a letter or e-mail, you can talk to the Chair of Governors or Deputy Headteacher who will write down what is discussed and what, in your own words, would resolve the problem. We would normally expect you to do this within five school days of receiving the school's response. You will be asked to read the notes or will have the notes read back to you and then be asked to sign them as a true record of what was said. We will let you know how the complaint will be dealt with and will send a letter to confirm this. The Complaints Committee will normally have a meeting with you within 15 school days of receiving your letter.
- 6.16 The letter will also tell you when all the evidence and documentation to be considered by the complaints committee must be received. Everyone involved will see the evidence and documentation before the meeting, while ensuring that people's rights to privacy of information are protected. The letter will also

record what we have agreed with you about when and where the meeting will take place and what will happen. The timescale may need to be changed, to allow for the availability of people, the gathering of evidence or seeking advice. In this case, the person dealing with the complaint will agree a new meeting date with you.

- 6.17 Normally, in order to deal with the complaint as quickly as possible, the complaints committee will not reschedule the meeting more than once. If you ask to reschedule the meeting more than once, the committee may think it reasonable to make a decision on the complaint in your absence to avoid unnecessary delays.
- 6.18 We will write to you within 10 school days of the meeting explaining the outcome of the Governing Body's complaints committee's consideration.
- 6.19 We will keep records of all conversations and discussions for the purpose of future reference and review by the full Governing Body. These records will be kept for a minimum of seven years.
- 6.20 The Governing Body's Complaints Committee is the final arbiter of complaints.

## 7. Special Circumstances

- 7.1 Where a complaint is made about any of the following the complaints procedure will be applied differently.
- i. **A governor or group of governors**  
The concern or complaint will be referred to the Chair of Governors for investigation. The chair may alternatively delegate the matter to another governor for investigation. Stage B onwards of the complaints procedure will apply.
  - ii. **The Chair of Governors or Headteacher and Chair of Governors**  
The vice Chair of Governors will be informed and will investigate it or may delegate it to another governor. Stage B onwards of the complaints procedure will apply.
  - iii. **Both the Chair of Governors and Vice Chair of Governors**  
The complaint will be referred to the clerk to the governing body who will inform the chair of the complaints committee. Stage C of the complaints procedure will then apply.
  - iv. **The whole Governing Body**  
The complaint will be referred to the clerk to the governing body who will inform the headteacher, chair of governors, local authority and, where appropriate, the diocesan authority. The authorities will usually agree arrangements with the governing body for independent investigation of the complaint.
  - v. **The Headteacher**  
The concern or complaint will be referred to the Chair of Governors who will undertake the investigation or may delegate it to another governor. Stage B onwards of the complaints procedure will apply.
- 7.2 In all cases the school and governing body will ensure that complaints are dealt with in an unbiased, open and fair way.

**8. Our commitment to you**

8.1 We will take your concerns and complaints seriously and, where we have made mistakes, will try to learn from them.

8.2 If you need help to make your concerns known we will try and assist you.
