Ask someone else to read the words so that you can listen to the sounds in the words.

Put each word into a sentence.

Look for the patterns in the words. Can you focus and learn the pattern to help you with more than one word?

Trace the words. Use colours and different pens.

Are there tricky parts to these words?
Use a highlighter to identify these tricky parts.

Speed Write - how many times can you write a word in 1 minute? Can you beat your time on your next go?

Write the words as many times and in as many different ways you can.

Mnemonics
Can you make a rhyme or sentence with the letters in the words to make it more memorable?
